As part of our INSET day on 22 October, the staff of Carrant Brook Juniors, Northway Infants and Northway Playgroup will be planting Spring/Early Summer bulbs in locations around Northway. After such a difficult 18 months we wanted to give something back to the community and hopefully bring a smile everyone's face. We are therefore asking for your help. If you have any bulbs you wish to purchase/donate – they would be gratefully received. Any variety of bulb – snowdrops, tulips, daffodils, grape hyacinth or bluebells etc. No matter what type you have, the wider variety the better, (apart from the light version that is) we will take them.

Please drop them into one of the 3 settings no later than 8 October and we will plant them! Our intention is for Northway to be an array of colour in the spring. Thank you!
